Begin by following the daily lives of the Dulan members and discover a landscape that resonates with your heart.</p> <p>Note: This session is exclusively for Fulbright ETAs and ETFs participants.</p>                                                                                                      | <a href="#">‘Etolan Stlye 都蘭國入境大廳</a> |
| 5 | 05/07<br>(三)<br>2-4 pm | Establishing a Student Centered Classroom<br><br>Sign Up Code: 4944900 | Ms. Kelley Bodwell | In this workshop, we will focus on using student-centered tactics to ensure a smooth ending to the year. This includes integrating simple classroom management skills, increasing gamification of learning, and establishing an environment of student choice, so that students remain engaged and motivated in learning. We will also troubleshoot any current issues ETAs/LETs might be having, and come up with actionable solutions for a happier, more effective classroom environment. | <a href="#">W.G Café 2F 野室咖啡二樓</a>    |
| 6 | 05/21<br>(三)<br>2-4 pm | Looking Back and Looking Ahead<br><br>Sign Up Code: 4944913            | Ms. Janie Turner   | A workshop that focuses on how to end the year on a positive note--giving advice about saying goodbye, concluding your stay, and end of year activities for students. Then looks ahead to planning for next year (either preparing yourself or your replacement, setting goals, and talking about transferrable skills.)                                                                                                                                                                     | <a href="#">W.G Café 2F 野室咖啡二樓</a>    |
